For more than 100 years, PTA has never lost sight of why we came together. PTA was formed to support families and advocate for children and youth at home, in school and life. The PTA, since its founding in 1897, has called everyone interested in the welfare of children, regardless of age, sex, religion, culture or nationality to join. West Virginia PTA urges you to join a national organization of over 6 million members.

BACKGROUND

The Mountain State PTSA is a unit of the West Virginia PTA and the National PTA.

This statewide unit was organized in 2001 to reach out to people in West Virginia that are leaders in the field of education or people who may no longer be active in a PTA, but continue to be interested in children's issues. Mountain State PTSA enables those who may not be connected presently with a local unit to be an active part of PTA.

Everyone is encouraged to join Mountain State PTSA. To the Mountain State PTSA and West Virginia grow, Join Today!
